

The formularies clearly provide basic knowledge and many detailed facts pertaining to the respective areas. They are the perfect guidebook and are an optimal addition to didactic syllabuses for targeted exam preparation as well as for later on-the-job consultation. Your job vacancy, your service or your product will hit the mark here.

Target group: Students and graduates

Distribution: In more than 170 cities in over 200 universities, technical and vocational colleges in German-speaking countries. Book shops, trade fairs, gatherings and industry events.
